VERSE 1

Your name is music to my ears,
I feel like dancing in the air!
Your name is lyrics to my song,
You are the reason for my joy
You give strength to my feet
Am gonna dance to the beat.et!
Till am lost in estasy eh!
Oh Majesty.

When I walked through the valley of the shadow of death;
I 'm not scared because you are there.
Through the storms; he kept me warmer,
I need not holla cause you're is my tower!
Through my need He is my provider
With my life, I'm gonna praise Him,
For the things He has done

CHORUS

Your name is music to my ears,
I feel like dancing in the air!
Your name is lyrics to my song,
You are the reason for my joy
You give strength to my feet
Am gonna dance to the beat.et!
Till am lost in estasy eh!
Oh Majesty.
Am gonna dance to the beat.et!
Till am lost in estasy eh!
Oh Majesty.

That's who you are

You're my rock and my salvation,
I need not fall, He's my foundation!
He's my hope and my sustainer
I will praise him. Why wont I?
