VERSE 1

I don't deserve the price you paid
Remise my sins the price you paid
For this I could never repay
The sacrifice you made
Oh lord

VERSE 2

You pulled me from the miry clay
Set my feet on solid rock to stay
For this I could never repay
But to give myself away
To you

CHORUS

I give my life to Worship you
All of my days I pledge to you
With every breath I take
Surrendered to your way
This Promise I make

VERSE 3

You told me child you are my own
Royal priesthood, heir of the throne
For this I could never repay
But to give myself away to you, to you

BRIDGE

Take me to the place
Where I'm longing more for you
Held in your embrace
So my heart beats as yours
(Repeat) (Note: last line First time up, second down)
And with every breath I take
I'm surrendered to your way
This promise I make
